RIOMAGGIORE,
MANAROLA, VOLASTRA

In the municipality of Riomaggiore, every Sunday evening a restaurant will propose a tasting menu with Cinque Terre wine from a local producer in the presence of winemaker, who will discuss their wine....a special occasion to gain a deeper knowledge of the Cinque terre

THE CINQUE TERRE

In the Cinque Terre there are currently 30 wineries that produce a white wine unique in the world. The verticality, the exposure, the terraces, the rocj, and the sea breeze are all elements that together with the autochtonous grapevines make this a one-of-a-kind wine, and when paired with traditional dishes expertly prepared with local ingredients creates an explosion of emotions. It is an eno-gastronomic experience not to be missed!
